## **DETAILED ACTION**

### ***Response to Amendment***

The amendment filed on 08/ 04/2009 has been entered.

### ***Allowable Subject Matter***

1. Claims 1-15 are allowed.
2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1 and 12:

claims 1 and 2 recite *inter alia*, "and a second support supporting the other end of the cathode, the second support including a second insulator having an insert groove into which an in insert protrusion formed at the other end of the cathode is inserted."

The references of record do not teach or suggest the aforementioned limitation, nor would it be obvious to modify those references to include such limitation.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
